Not everyone is eligible to vote, but everyone can be an active part of the process. Here is a list of activities that you can do to support voting, whether you are eligible to vote or not:

Volunteer in your free time to help candidates and causes

**Attend candidate forums, town halls, and rallies
(or organize your own)**

Write letters to the editor

Donate to causes you care about

**Educate your friends and family about issues
and candidates you care about**

Encourage others to vote

Volunteer to drive people to vote

**I CAN'T VOTE...
BUT YOU CAN VOTE FOR ME**

- ✓ Access & quality healthcare
- ✓ Better schools
- ✓ Safer communities
- ✓ Jobs

**My future
depends on you.**
